Your parents here completely understood that you're a lacking child... so stop letting us down!

Uh
...
...
huh.

I-I
...
...
uh.

TL/N This is too funny because "opor" is a dish in Indonesia

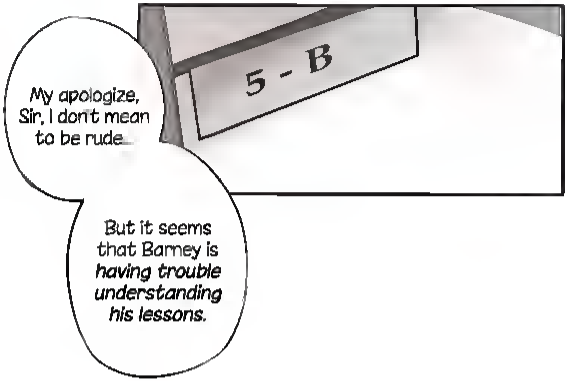
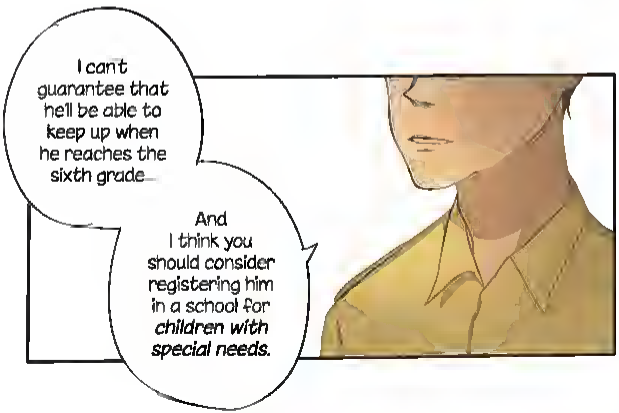
Father...

I'm sorry for always letting you down...



5 - B
My apologize, Sir, I don't mean to be rude.
But it seems that Barney is *having trouble understanding his lessons.*



I can't guarantee that he'll be able to keep up when he reaches the sixth grade.
And I think you should consider registering him in a school for *children with special needs.*

I'm afraid that... if you insist on keeping him here, HE'LL HAVE TO REPEAT A YEAR.

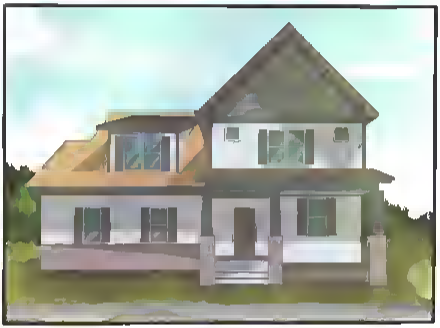
Episode 5: Stereotype

W-what do you mean?! He's not autistic! HE'S NORMAL!
He can follow his lessons well! He doesn't need "SPECIAL CARE"!
It wasn't my intention to call him autistic. Sir, please don't misinterpret what I sai

Let me tell you something, I always help him study when I get back from work!
I EXPLAINED THE LESSONS FROM HIS BOOKS!
AND I TAUGHT HIM WELL!
Ugh



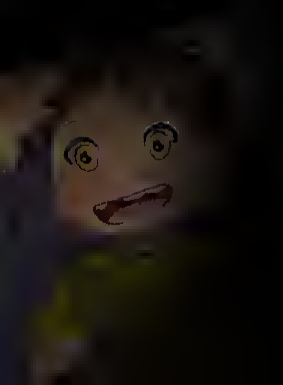
SLAP!!

What just happened?! Was your teacher telling the truth?! why do you still get bad grades?! I taught you every night, HAVEN'T I?!
SOb
SOb
So- Sorry.

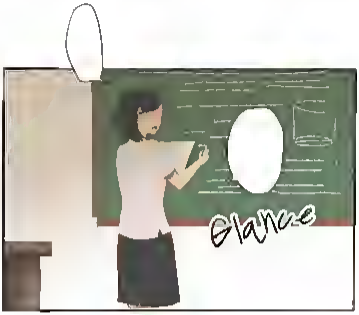
I'm an
only child,

from a
small household.

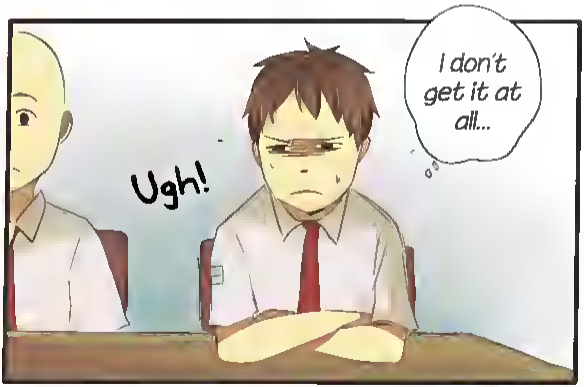
That ~~should've made~~
my mother proud.



That ~~should've made~~
my father proud.



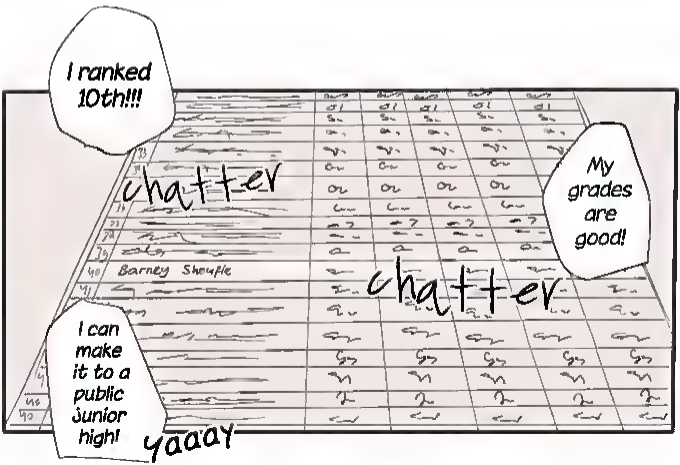
Glance

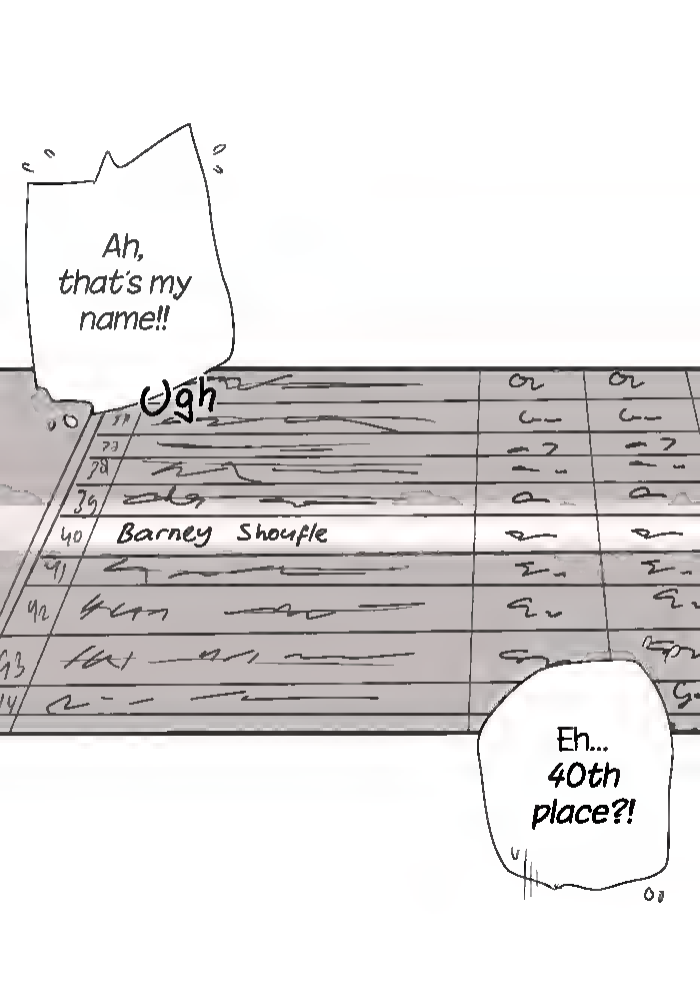


I don't get it at all...
Ugh!

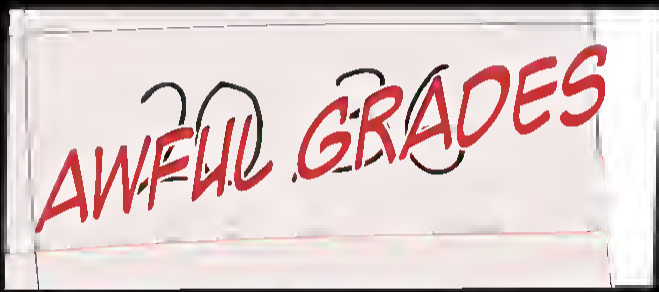
So hard...
It's very difficult for someone like me.

And when the national examination results were announced...





Ah, that's my name!!
Ugh
40
Barney Shoufle
Eh... 40th place?!



AWFUL GRADES

HOW MISERABLE!!

Of course that grade enraged my father even more...

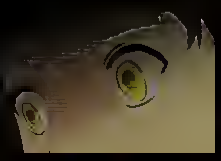
I couldn't make them proud.

Mother got mad at me too.

She said that I couldn't make it into a public school with such pathetic grades

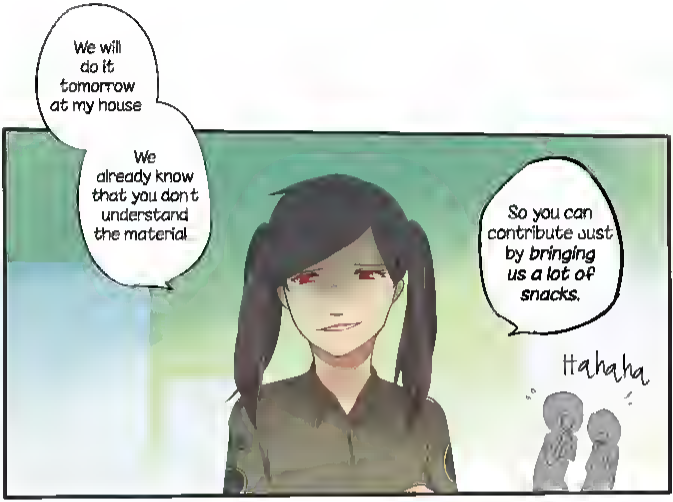
They said I had to enroll to a public school...

They say public schools are always better than private ones.



I ended up in a private school instead...
Is there still a group with an open spot? Barney's not any in any group yet
Wahaha
No one would want him in their group, Sir! He is useless!
thump

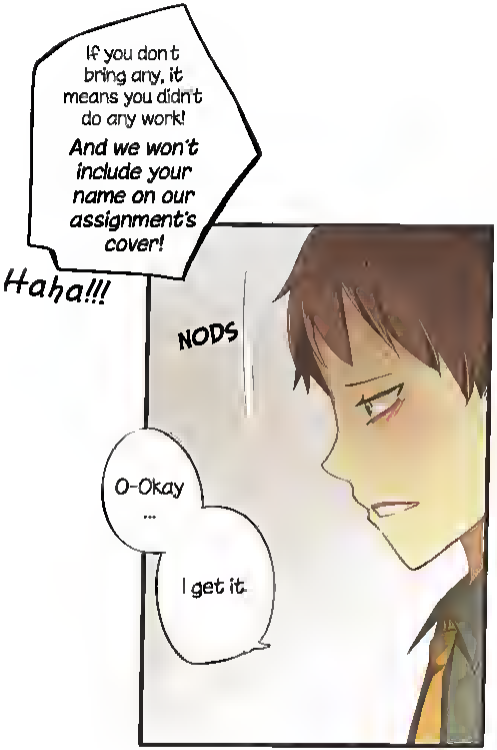
.so pitiful..
whisper
!
I feel sorry for him
whisper
Barney, you can join us!
Ah!?!
wave



We will do it tomorrow at my house
We already know that you don't understand the material
So you can contribute just by bringing us a lot of snacks.
Hahaha

BATHUMP

H-Huh?!
JUST WHY?!



If you don't bring any, it means you didn't do any work!
And we won't include your name on our assignment's cover!
Haha!!!
NODS
O-Okay ...
I get it.

Yes, that's right...

A brain-less
fool like me...

will end up just
being a lackey.

Today we'll learn how to draw still life.
STILL LI
DRAWING
Points
looks
Just draw the objects I placed in front of the class!

Erm... Barney...

Yes, Sir?

Ta-da!!

Hey~

Why did you draw a crocodile on the bowl?! Didn't you understand what I said?!

So-Sorry, Sir! But I like it like this~
Haha
Right now we're drawing still life! so you need to draw the object as it is!
Re-do it!!
He's so silly...
Tch
haha
I thought he'd do well in art class, but it seems like he sucks at all subjects.

Even though they said that I can't draw...

Or that my drawing is crap...

Or whatever.

I still...

decided to take an interest in this subject.

Every weekend, I spent my time at an internet cafe...

Watching video tutorials on how to draw.

Or going to the bookstore or library to read books about art and design...

Out of all the art styles I tried, I loved handlettering the most... I think it's unique...
the wuick
blackforest
Dreams
Expressing yourself by the curvature of letters and words... Simple yet anyone can feel the impression.

From then on...

I managed to find a method
to learn it myself.

But Father... I got 90% in art...
You'll never get tested on art in the national examination! So why are you so proud of it?!
BATHUMP
Father hates what I'm doing...
He said it's useless for my career...

Your father is right.
You have to focus on your national examination lessons so you can go to a public high school.
Glance
You should know that private schools cost more money than public ones...
Hmmp

In high school...
I chose the department of social sciences.
YES.
The place people say is suited for lazy asses and trouble makers...
That stereotype ...
Ended up in a private school because his grades weren't as good as his friends who cheated.
Step
Step
makes me want to follow it.

I smoked.

I "drank"...

And I don't remember if I've done this or not...

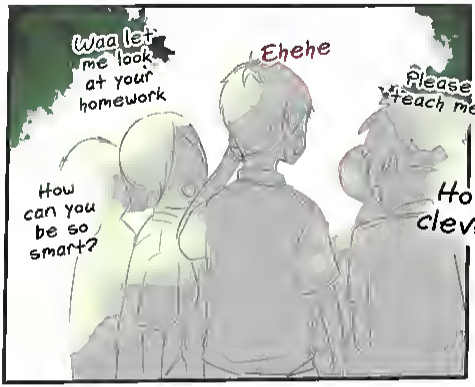
Seems like I went to some night club
just to waste my time, twice or thrice...

But I realized that doing those things...

won't make me better...

I started thinking about the pile of homework that would take forever to finish if I don't start soon...

It may sounds ridiculous...



That's why,
Once again I tried to be a child worthy for my parents' praises...
To make my father proud...

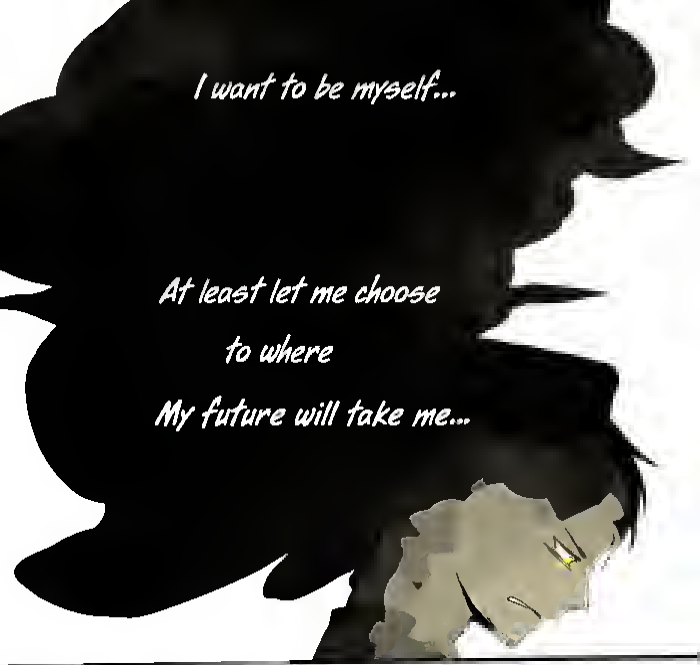
But

once more

THEY BROKE ME.

What's going on in your brain?! Why do you want to take an art course in university?! What will you be then?!
THINK LIKE A GROWN UP, BARNEY!
!
THUMP!

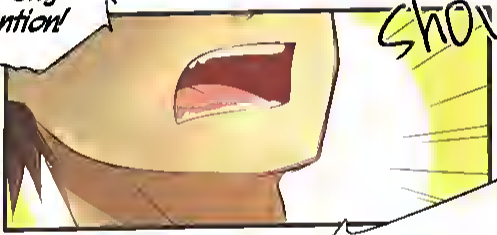
W-What now?!
After I succeeded to be number one in my whole school...
Isn't that enough?!



I want to be myself...
At least let me choose
to where
My future will take me...

...It's
not fair...

All this time I've been trying to meet your expectations! But you never paid any attention!



AND NOW YOU WON'T APPRECIATE ANY OF MY EFFORTS TO MAKE YOU PROUD?!

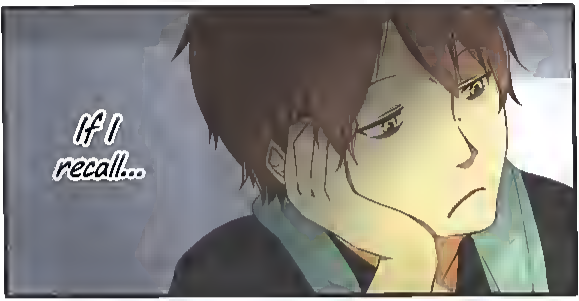
I shouted at him... just like he did when I was young...
WAAA!!
I yelled just like him.
I scorned just like him...

I HATE YOU!!!

BATHUMP

tick
tock

flip



That was the
loudest slap,

I've ever received
from him...
